

Goodmorning Exercise Science Club!

Have no fear the Newsletter is here! It may be a day late, but I hope you will forgive me this one time. There was not a Newsletter last week because of Fall Break, so there are a few things to catch up on! Please read through the following announcements:

- I. **SGA WANTS YOUR FEEDBACK ON BRINGING A FARMER'S MARKET TO BALL STATE:** The Student Government Association has reached out with a survey regarding the possibilities of bringing a Farmer's Market onto the campus of Ball State in the near future! We could potentially participate in a booth at this future event, promoting health and fitness, and providing tips on how to exercise effectively. For now, however, SGA just wants to know some simple questions like "Have you ever been to a Farmer's Market?" or "How would you feel about a Farmer's Market at Ball State?" It is almost completely multiple-choice questions, and takes no more than 2 minutes. Please fill it out! The link is here: <https://goo.gl/forms/JZ2CLilcKYX6q84f2>. If you have any other comments, please contact kcsnavely@bsu.edu.
- II. **APPAREL ORDER FORMS HAVE BEEN TURNED IN:** You will receive an email when apparel orders are actually in, but know for now that the forms have been finalized and delivered to Outfitter. It should be shortly.
- III. **UPCOMING EVENTS ON THE CALENDAR:** There is nothing going on specifically within the life of the club this week, but NEXT WEEK will be our **THIRD REGULAR CLUB MEETING @ 7:15p in HP 200 on Oct. 27, 2016**. Please mark this in your calendars immediately so that you don't miss!
- IV. **HOMECOMING WEEK IS HERE!:** This entire week, Homecoming events are going on around campus! By attending these events and checking in with the front table, you can earn points for us as a Club that could win us great prize prizes at the end of the week. Also, it is just a fun time to enjoy Ball State! In addition to supporting the Club, you also support our very own...
- V. **MITCH PRATHER, 2016 HOMECOMING KING!:** Yes, I am so incredibly excited to announce that I was crowned Monday night at the Homecoming Village as the 2016 Homecoming King, representing the Ball State Exercise Science Club! I want to thank each and every one of you for having the confidence to vote for me and support me not only in this, but also in every other aspect of my two-term presidency. Thank you SO much! I want you to take pride in this too, and know that this coronation is for each of you as well. The King is from your organization, and there is nothing greater than that. I hope this can inspire all of you to realize what is possible in yourselves as Exercise Science majors and Ball State students.

I hope each of you had a relaxing and enjoyable Fall Break! I also hope that midterms have all gone swimmingly for every single one of you. Don't forget, Monday-Wednesday from 5-9p every week we have BL 302 in the library reserved for you to use to study, work on group work, etc., as a member of the club. Take advantage of this great place to further your academic pursuits!

Thank you to all of you who came out last Thursday for our Professional Development Speaker Series with the grad students. We had great attendance!

As always, let me know of ANY questions, comments, etc., you may have. Have a fantastic week!
